Purpose Built Student Accommodation

Advantages of PBSA accommodation

- Safety – on site reception, maintenance and security staff
- Proximity – close to each institution (easy to view distances)
- Quality – modern room design and fittings with great building facilities often including gym, cinema room and group study areas
- Community – safe social areas where students can make friends and socialize throughout their stay
- Flexibility – easy to view and secure
- No surprises – all bills are included

Casita understands education

The Casita Service - API Integration

- Casita was the first accommodation website to link directly into the CRM's of some of the world's largest Global recruitment agents
- Allows counsellors to book students directly into a room from within the CRM
- White labeled or Powered by Casita room stock populated into the agent CRM, with images, pricing, availability and distance to University all searchable
- 2 Way API integration can be-connected-with education/travel website forms to enhance students/agent experience
- **Book Now** function for select properties that offer live availability and pricing

3 easy steps - click, click, room!

1. Login to Casita.com using your partner account details and quickly compare rooms using the Casita 'shortlist' function
2. You, or your student can submit the enquiry in a few quick clicks
3. Casita customer service will confirm availability, pricing and answer any questions
4. Securely confirm selection in 3 easy steps:
 - A) Confirm deposit payment
 - B) Accept tenancy agreement
 - C) Confirm booking

Building requirements may vary but we advise that students make full payment or first installment (as directed) before arrival
